SELECTION COORDINATOR

Chuck Taylor

Chuck Taylor and bay area football are synonymous. Now in his fifth year selecting players for the East-West Game, Taylor this year is overseeing the entire selection process and works closely with Bennie Ellender and Rip Engle on the East, and Elmer Dohrmann and George Lynn for the West. Taylor began his football career at Stanford as an All-American guard, went on to be an assistant coach with the San Francisco 49ers, and then head coach and athletic director at Stanford.
