

Registering User & Watching Video

REGISTRATION

- After your administrator creates your User in DVSPORT 360, you will receive an email with an invite to join the organization. From here, you will click the “Accept Invitation” link.

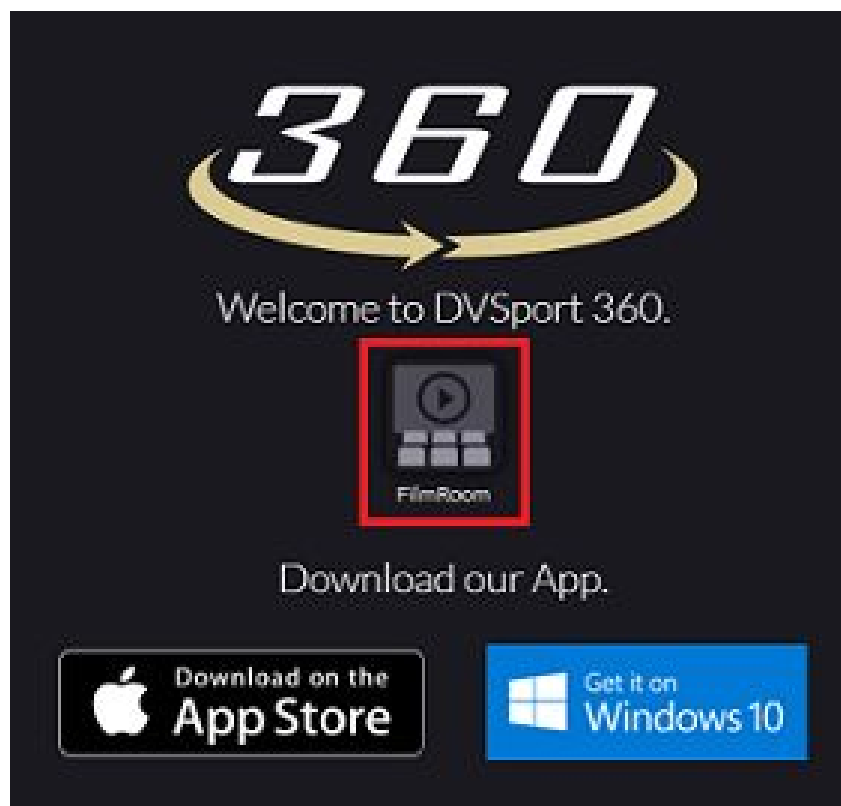

- Now you will be directed to a form to set your password. You will be asked to enter your email address, then your password two times to set it. Passwords must be at least 6 characters long including a capital letter, a number, and a special character (*such as ! @ # \$ etc...*).

The image shows a dark-themed 'Set Password' form. At the top is the DVSPORT 360 logo. Below it, the text 'Set Password' is centered. There are three input fields: 'Email', 'Password', and 'Confirm password'. At the bottom, there is a yellow 'Set Password' button.

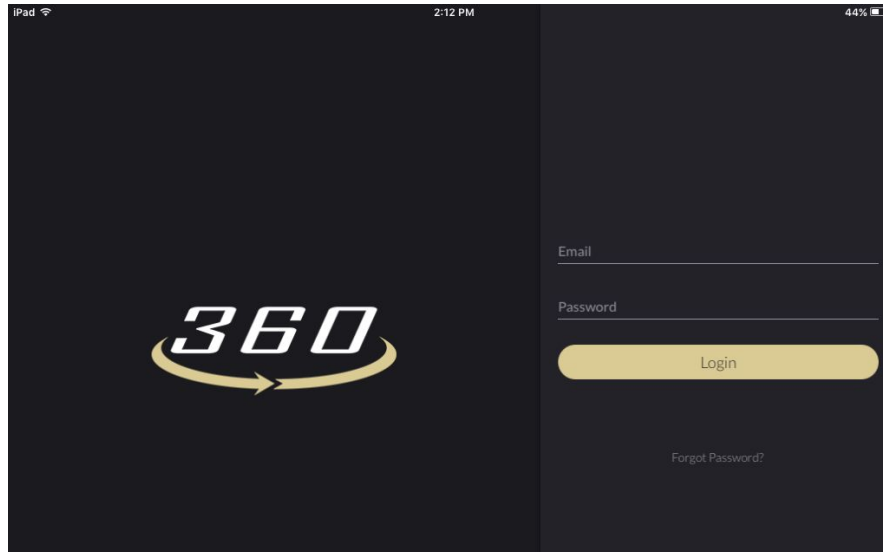

- After successfully registering, you will be taken to the page pictured below. Now you can log into the DVSPORT 360 app or DVSPORT FilmRoom using the Email address and Password that you set for yourself.
 - To download the free DVSPORT 360 app from the App Store, visit [iTunes App Store](#).

- The DVSPORT 360 app can also be found by visiting the iTunes App Store and searching for “DVSPORT 360”.
- **Note: DVSPORT 360 replaces Shutte and is only compatible with an iPad or iPhone.**
- To access DVSPORT FilmRoom, you can click on the link that appears beneath the “Welcome to DVSPORT 360.” message or you can type <https://filmroom.dvsport360.com> in the address bar.
- **Note: FilmRoom replaces Galaxy and is compatible on Computers, Tablets, and Phones that can access modern Internet Browsers (i.e. [Chrome](#), [Edge](#), [Firefox](#), [Safari](#)).** The recommended browser for FilmRoom is [Chrome](#).

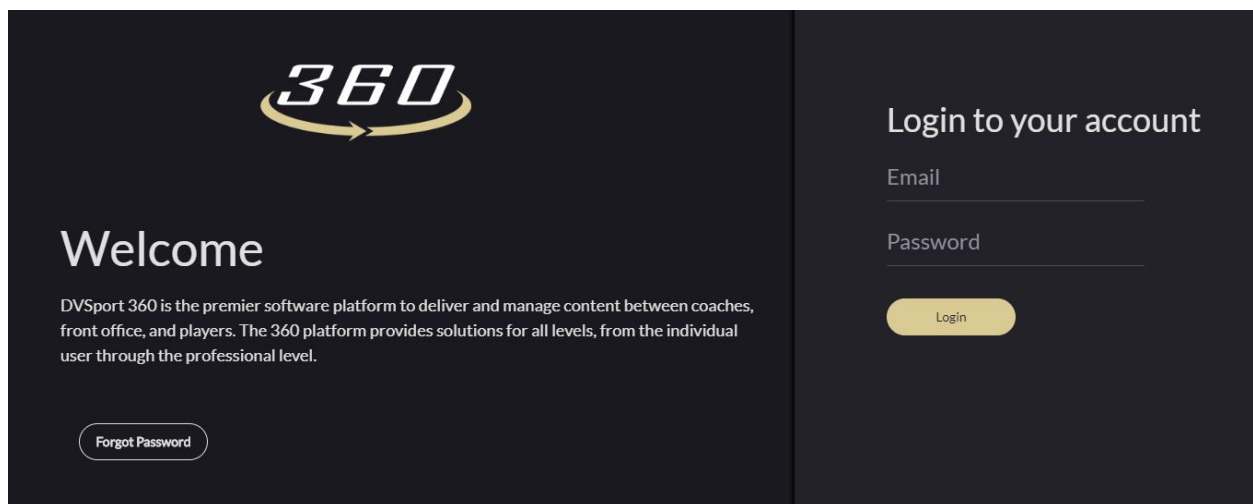

LOGGING IN

- After installing the DVSport 360 app from the App Store, you can log in using your Email Address and password that you set.

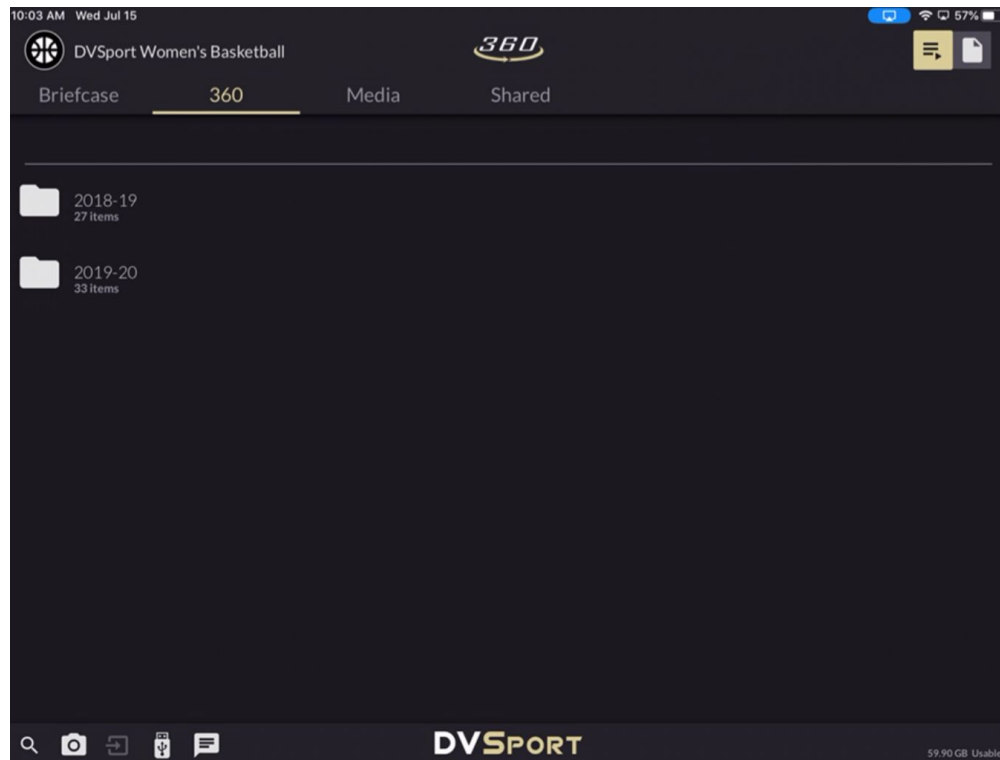

- If you do not have a device compatible with DVSport 360, or you wish to view your content using your desktop computer, then you will want to visit <https://filmroom.dvsport360.com>. Again, you will use your same Email Address and password that you set earlier to log in.

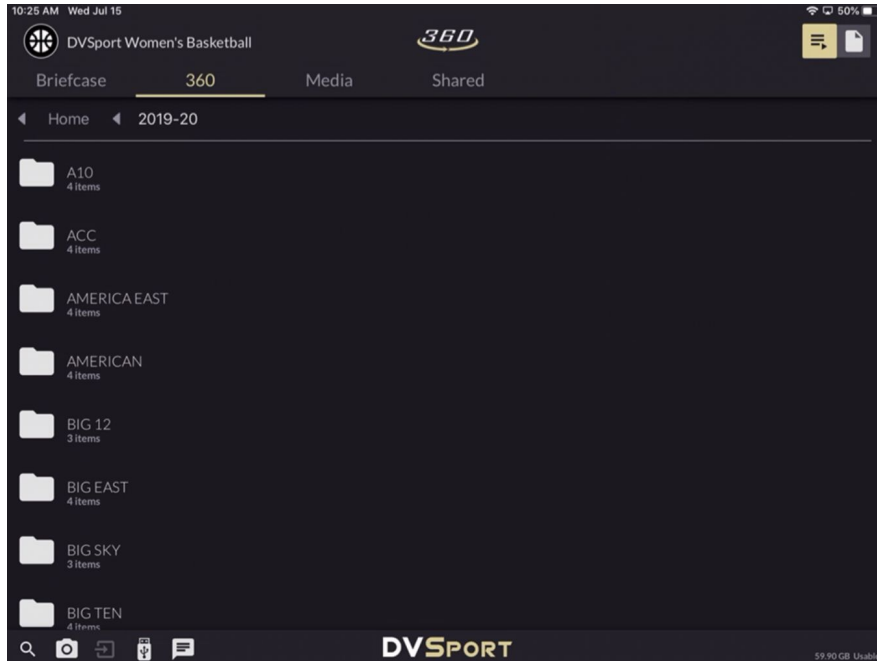

DVSPORT 360 App

- **360 LIBRARY FOLDER**

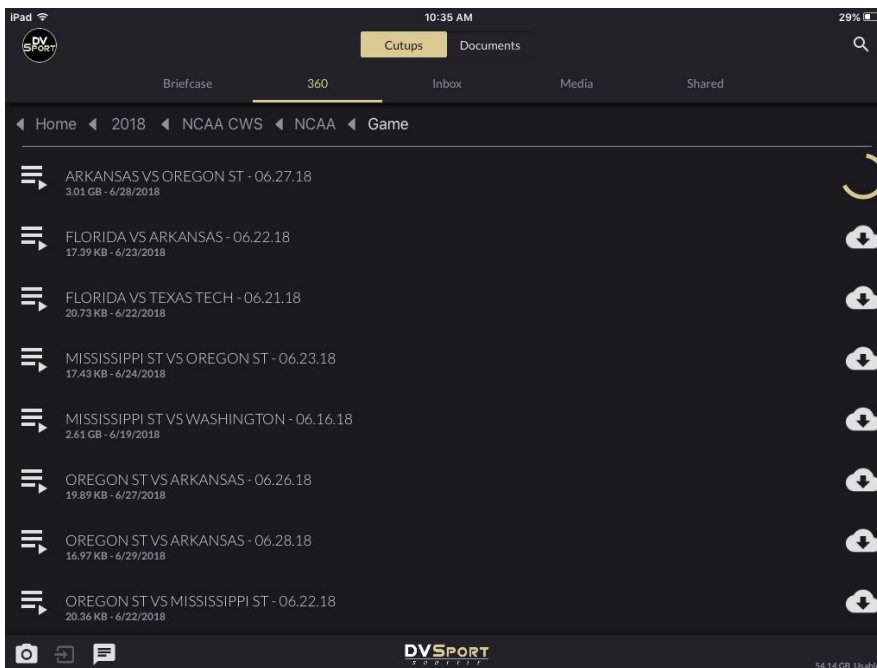

- After logging in, you will tap the “360” tab at the top of the app to access your library.
- Everybody who has proper permissions can view content in the 360 library.

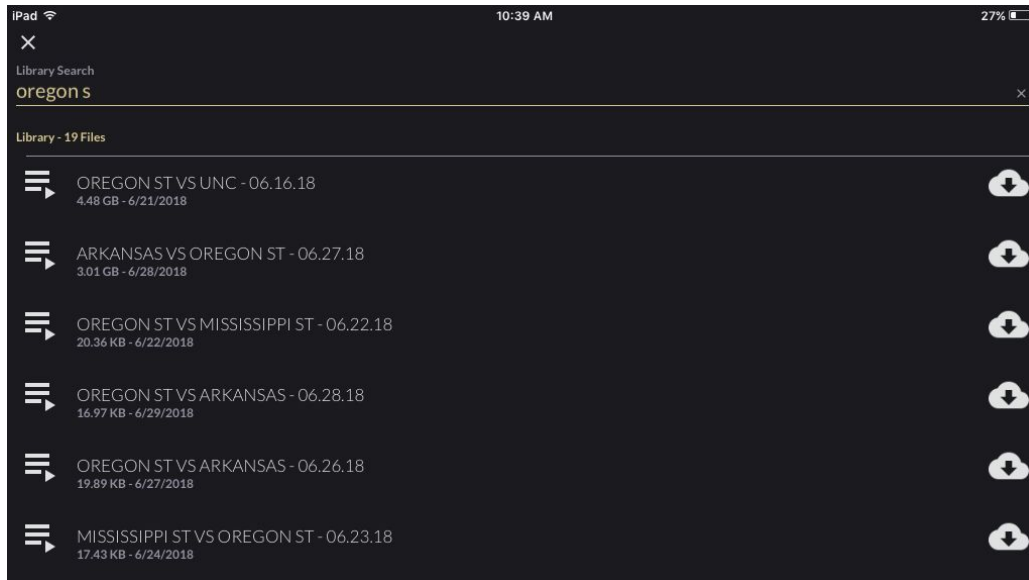

- Once you click through the folder structure you will see a list of video files (games). Click on the file name to open and play the video file. This video will be streaming over the internet.

- If you want to watch video locally on your device you can download it by clicking the cloud icon to the right of the file name.

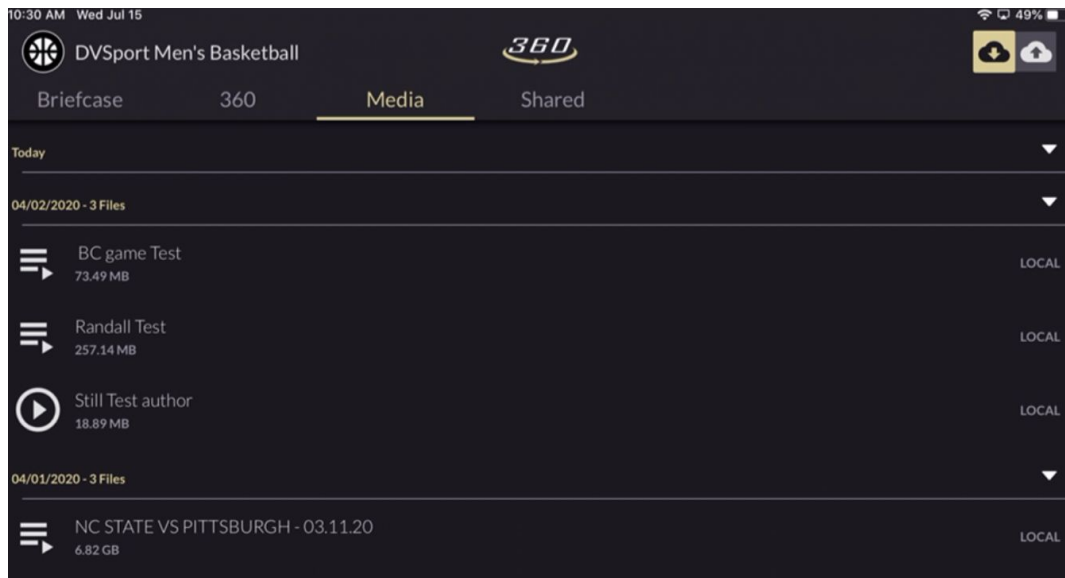

- You can also search for a file using the Search tool, located at the bottom left portion of the screen.

- **MEDIA FOLDER**

- All downloaded content resides in the Media Folder.
