GAME DAY GUIDE

99TH EAST-WEST SHRINE BOWL ★ FEBRUARY 1, 2024
FORD CENTER AT THE STAR ★ FRISCO, TEXAS

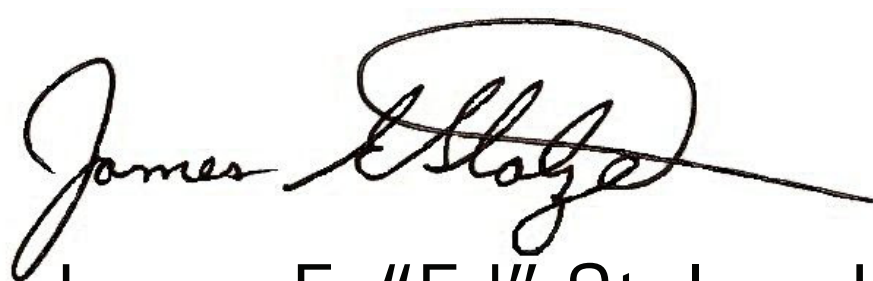

On behalf of Shriners International and Shriners Children's, it's our great pleasure to welcome you to Frisco and the beautiful Ford Center at The Star for the 99th edition of the East-West Shrine Bowl. We are very proud to have this important signature event, which was founded by the Shriners organizations and is the oldest college all-star football game in the country.

We also want to welcome and thank our donors, sponsors, spectators, volunteers, coaches and players, for being part of this spectacular event, which we depend on to increase the profile of our organizations.

Shriners International is a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth. The fraternity founded Shriners Children's as its official philanthropy in 1922. What began as one hospital dedicated primarily to caring for children coping with aftereffects of the polio virus is now a world-renowned pediatric health care system with locations in three countries. Our fraternity, which has more than 200 chapters in several countries and thousands of clubs around the world, continues to support this special health care system.

Today, Shriners Children's provides care for a full range of orthopedic conditions, as well as burn injuries, spinal cord injuries, cleft lip and palate and more. At our locations, children receive high quality care in a compassionate family-centered setting, regardless of the families' ability to pay or insurance status.

We consider you part of our extended, global Shriners family and invite you to join us in these celebrations throughout the year. Thank you for being here today, and for being part of the East-West Shrine Bowl tradition.

WELCOME MESSAGE ***BOWL COMMITTEE CHAIRMAN***

Welcome to Frisco, Texas for the 99th East-West Shrine Bowl. We hope you have a perfect day enjoying great football as NFL hopefuls play their hearts out in what has become a very special tradition in college football. Last year, 45 participants in this historic event heard their names called at the NFL Draft, and we look forward to watching even more of today's stars develop into tomorrow's legends.

It is a true pleasure to be here this year at the Ford Center at The Star, global headquarters of the Dallas Cowboys. We are privileged to gather together in this exciting city, cheering these talented college athletes and supporting the amazing patients of Shriners Children's.

On behalf of the East-West Shrine Bowl committee, I thank everyone who has been part of preparing for this event, especially our staff, committee members and volunteers. Your effort and commitment are greatly appreciated. I also want to thank our sponsors, coaches, players, fans and Shriners for being part of today's game.

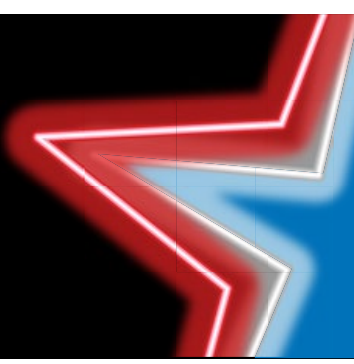

By supporting this signature event, you are helping to raise the profile of a one-of-a-kind health care system. Since 1922, Shriners Children's has improved the lives of more than 1.5 million pediatric patients by providing excellent care, conducting innovative research and offering outstanding education programs for medical professionals. Children and families the world over have found hope, healing, and medical expertise at our health care facilities and through our outreach efforts.

We count you as a member of our extended Shriners family. We invite you to learn more about our organizations – Shriners International and Shriners Children's – and hope that you will join our efforts to lift our communities and help more kids in more places.

Please enjoy the game, and be proud of being part of this incredible day – a day that means so much to so many.

BOWL SEASON

BOWL SEASON NAMES EAST-WEST SHRINE BOWL FIRST ALL-STAR GAME MEMBER

In December, Bowl Season announced that the East-West Shrine Bowl, the nation's oldest college all-star football game, had been named the first and only all-star game member of Bowl Season. Through this partnership, the East-West Shrine Bowl officially joined 43 other college football bowl games as a member of Bowl Season. Along with being the first all-star game as a member of Bowl Season, the East-West Shrine Bowl becomes Bowl Season's second oldest game next to the historic Rose Bowl Game.

"We are truly excited to officially add the East-West Shrine Bowl to the Bowl Season lineup where it has always belonged," said Nick Carparelli, Executive Director of Bowl Season. "Bowl Season is an annual celebration of college football, and I can't think of a better way to cap it off each year than by watching the sports best players wear their school's helmets one more time."

"We are proud to join alongside the nation's most iconic college football bowl games as an official member of Bowl Season," said Bob Roller, Vice President of Sports for Shriners Children's. "The life-changing impact of our East-West Shrine Bowl and our international healthcare system will now be officially celebrated from coast to coast throughout Bowl Season."

Bowl Season is one of the greatest and longest running traditions in American sports, taking place in late December and running through early February, and has been college football's post-season for over 100 years. It promotes the grand tradition of the bowl system and its endearing value to student-athletes, highlighting the broader university and college communities, including spirit squads, marching bands, athletic staff and fans. Bowl Season spotlights the distinctiveness of each of the bowl games along with their histories and traditions and their proud communities - embracing and honoring the bowl experience for present and future generations.

Celebrate youth and high school football year-round with camps, activities, NFL FLAG and tackle leagues. Play Football provides a fun and engaging experience for players of all ages and skill levels, equipping young people with key life skills that are building blocks to success on and off the field.

The prestigious East-West Shrine Bowl Hall of Fame adds Steve Smith, Sr. and Steve Sarkisian as members of the Class of 2024. Football’s greatest athletes played in the East-West Shrine Bowl prior to successful pro careers. Players such as Walter Payton, John Elway, Tom Brady, Roger Staubach, Bob Lilly, Tony Dungy, Lawrence Taylor and Shannon Sharpe are just a few of the Pro Football Hall of Famers and Pro Bowlers who have played in the game since its inception in 1925.

STEVE SMITH, SR.

Smith is a former wide receiver who played two seasons at the University of Utah before a long, successful career in the NFL. An all-conference selection in both seasons with the Utes, Smith caught 78 passes for 1,603 yards and 12 touchdowns. He also returned four punts for touchdowns in his college career. Smith was drafted in the third round of the 2001 NFL Draft by the Carolina Panthers.

Smith played 16 seasons in the NFL, 13 of those with the Panthers, and finished his career as Carolina’s all-time franchise leader in career receiving yards (12,197), receiving touchdowns (67), total touchdowns (75), scrimmage yards (12,584), all-purpose yards (16,614), and 100-yard receiving games (43). The five-time Pro Bowler also spent three seasons with the Baltimore Ravens and is currently eighth all-time in NFL history in total receiving yards (14,731).

Smith caught two touchdown passes and was named offensive MVP in the 76th East-West Shrine Bowl in 2001 after leading the West to a 20-10 win in San Francisco.

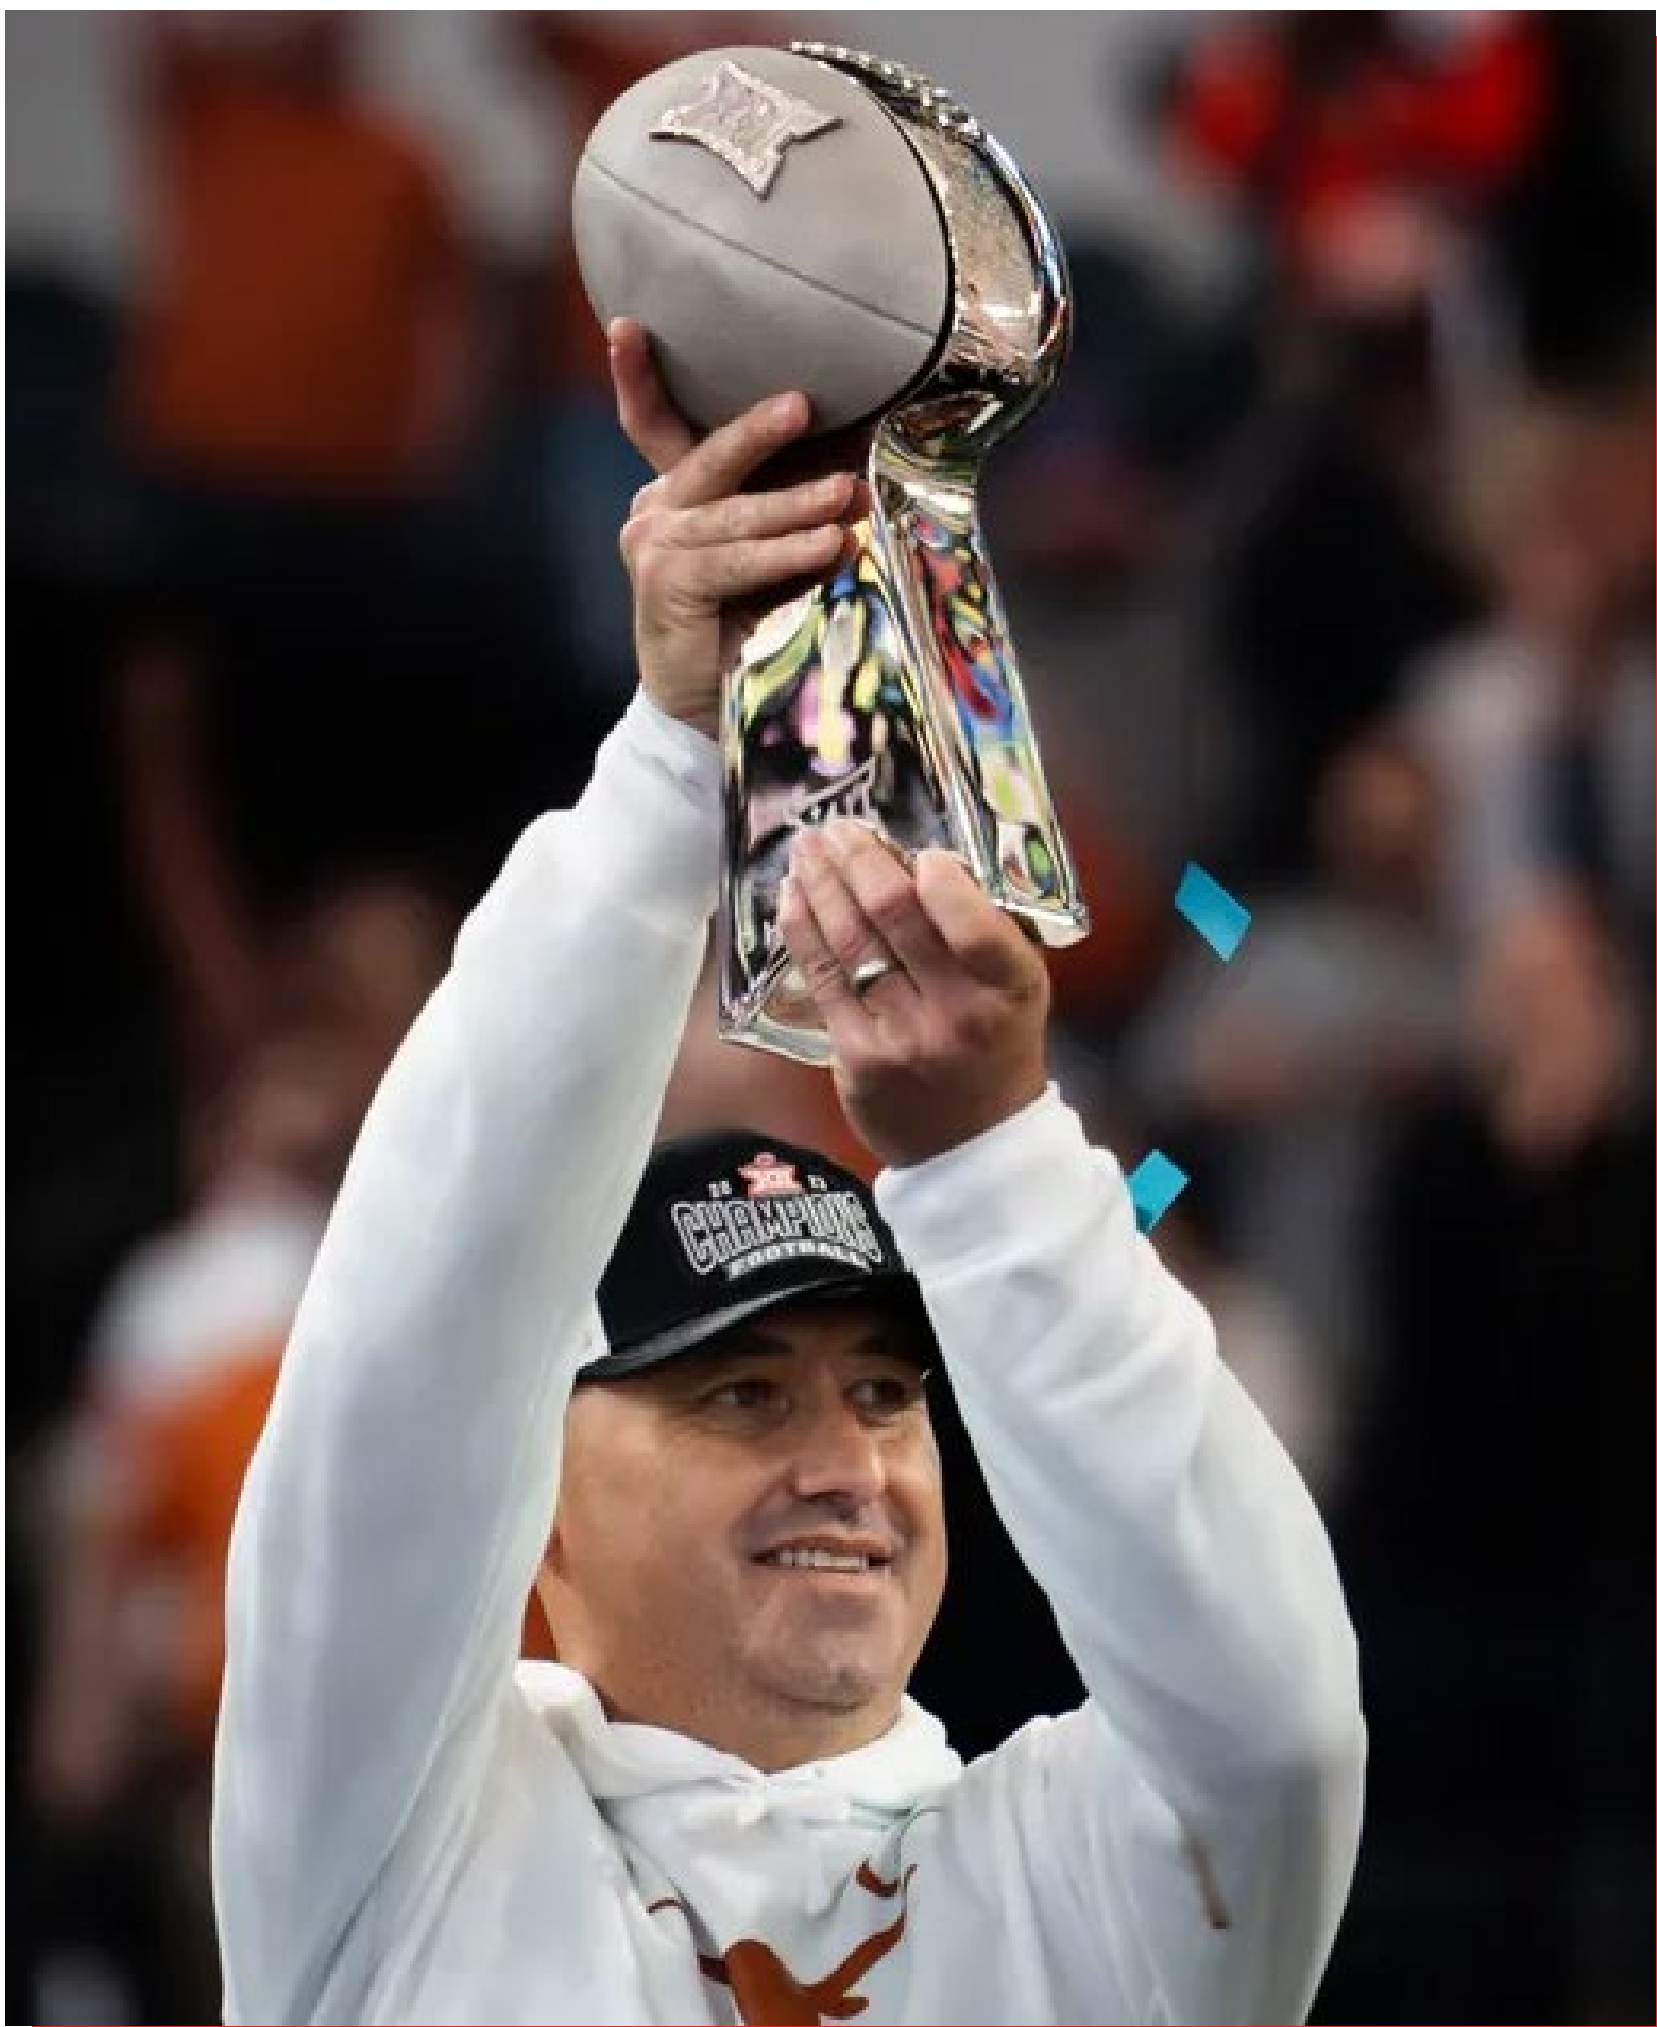

STEVE SARKISIAN

Steve Sarkisian is a former quarterback, playing two seasons at Brigham Young University and two seasons professionally in the Canadian Football League. Sarkisian became one of the most prolific passers in BYU history during his two seasons in Provo. While at BYU, Sarkisian threw for nearly 7,500 yards and 53 touchdowns. As a senior in 1996, he

led the nation in passing efficiency (173.6, then the fourth-best mark ever) as the Cougars went 14-1, won the conference championship, and won the 1997 Cotton Bowl. He was the WAC Offensive Player of the Year in 1996. Sarkisian’s performance helped lead the Cougars to become the first team in NCAA history to win 14 games in a single season.

Sarkisian first became a head coach in 2009 at the University of Washington. He led the Huskies for five seasons before heading to the University of Southern California for two seasons. Sarkisian has been the head coach at the University of Texas since 2021, leading the Longhorns to the College Football Playoff in 2023. In 10 seasons, Sarkisian has amassed a record of 71-49 with six bowl game appearances.

Mike Kafka recently completed his second season as the New York Giants' offensive coordinator and seventh as an NFL coach. Before coming to the Giants, Kafka spent five seasons as an assistant coach on Andy Reid's staff with the Kansas City Chiefs, the last two as the team's quarterbacks coach and passing game coordinator.

During Kafka's tenure in Kansas City, the Chiefs were one of the NFL's most successful teams and deployed one of the league's most prolific offenses. Patrick Mahomes became an NFL most valuable player and Tyreek Hill, Travis Kelce and Mecole Hardman developed into elite receivers.

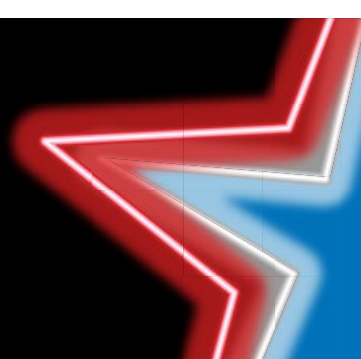

Prior to becoming a coach, Kafka enjoyed a six-year NFL playing career. Kafka was a fourth-round choice in the 2010 NFL Draft (122nd overall) by the Philadelphia Eagles. Kafka also did stints with New England, Tampa Bay and Minnesota, where he spent his final season in 2015.

Kafka played in 30 games at Northwestern, where he completed 408 of 637 passes (64.1%) for 4,265 yards with 19 touchdowns. He set single-game records in both passing yards (532 vs. Auburn, 2010) and rushing yards by a quarterback (217 vs. Minnesota, 2008). Additionally, his 3,725 yards of total offense as a senior in 2009 stands as the No. 2 season in program history.

A product of Chicago's St. Rita High School, Kafka earned a degree in communication studies from Northwestern.
